Conversation Transcript

NIVA: What problem are you facing? Please describe your main symptom in one sentence.

Patient: uncontrolled diabetis with irregular menstrual cycle

NIVA: Have you experienced any changes to your appetite or weight over the past few months?

Patient: my weight has increased

NIVA: Have you noticed any increases in thirst or urination frequency recently?

Patient: yes

NIVA: Are you experiencing any numbness, tingling, or weakness in your hands or feet?

Patient: no

NIVA: Do you have a family history of diabetes-related complications, such as kidney disease, blindness, or heart problems?

Patient: no such things

NIVA: Thank you. I have collected all the required information.
